

Financial Literacy Among Teens

Rickelle Williams

Community Scholars in Affordable Housing

- **Parents:** Parental influence is critical
- **Poverty:** Correlation with household income level
- **Timing:** Attitude about money develops early
- **Education:** Testing, funding and political pressures

Addressing the Issue

- **Gaining Face to Face Access**
 - High school students and their parents
 - Partnerships with community/youth organizations
- **Reaching Online**
 - Web-based Resources
 - Social Media
- **Advocacy**
 - Political Will
 - Community Support
 - Building Capacity
